

**MEMORANDUM**

TO: Vibrio Management Committee Members

FROM: Ken B. Moore, Executive Director *Ken B. Moore*

DATE: April 30, 2013

RE: 2013 Committee Charges

This letter is to confirm your appointment by the Conference Chairman to the 2013 Vibrio Management Committee (VMC). The Committee will assess if additional changes are needed in the NSSP Guide for the Control of Molluscan Shellfish Model Ordinance to reduce the risk of Vibrio illness.

The VMC is assigned the following tasks for 2013:

- Annually review trends in Vibrio illnesses
- Proposal 11-206: *Vibrio parahaemolyticus* illness information
- Collaborate with the Education Committee on Vibrio education issues and recommendations.
- Review the Model Ordinance language adopted in Proposal 11-201A. Determine if Model Ordinance language changes are needed to reduce ambiguity related to V.v. management. Should the VMC conclude that Model Ordinance changes are needed; the VMC is requested to submit a proposal for conference consideration at the 2013 Biennial meeting.

Thank you for your interest and support of the ISSC and I look forward to working with you. You will be contacted soon by your Committee Chairman. If you are unable to accept this appointment, please contact me at 803-788-7559 or by e-mail at [issc@issc.org](mailto:issc@issc.org).
