Charges

Charge 1: Provide consultation to the Executive Board regarding patrol matters.

Findings/Conclusions: No Matters were brought forward by the committee for this charge.

Recommendations: The Patrol Committee has no recommendations for the Executive Board for this charge.

Charge 2: Identify and advise the Executive Board regarding molluscan shellfish patrol issues that have the potential to impact the National Shellfish Sanitation Program.

Findings/Conclusions: Members of the committee expressed a desire to have representation on the appropriate committee to provide input on the deliberations for Proposal 17-204.

Recommendations: The Patrol Committee recommends that the Conference Chair appoint representation from the Patrol Committee to the appropriate committee for the deliberation of Proposal 17-204.
