**RECISSION OF EMERGENCY DESIGNATION OF SHELLFISH LANDS
IN THE STATE OF NEW YORK
AS UNCERTIFIED FOR THE HARVEST OF SHELLFISH**

Pursuant to the provisions of Title 6 of the New York Compilation of Codes, Rules and Regulations, Section 41.4 and 42.17, I, James J. Gilmore, Chief, Bureau of Marine Resources, of the Department of Environmental Conservation, hereby rescind the “Emergency Designation of Shellfish Lands” dated November 5, 2012, for particular shellfish lands in Suffolk County that are classified as certified pursuant to Title 6 NYCRR Section 41.3. **This order is effective at sunrise on Friday, November 16, 2012.**

Accordingly, the harvest of shellfish from the following shellfish lands is permitted:

Town of Southold: All the normally certified shellfish lands in Orient Harbor lying southerly of a line extending easterly from the landward end of the jetty on the east side of Spring Pond to the western end of the long dock at the Orient Yacht Club, including all the normally certified shellfish lands in Hallock and Little Bay; and, all the normally certified shellfish lands in Pipes Cove, Southold Bay and Shelter Island Sound, lying northerly and easterly of Paradise Point on Great Hog Neck; and, all of the normally certified shellfish lands in the creeks, harbors, bays that are tributaries of Great Peconic Bay and Little Peconic Bay.

Town of East Hampton: All the normally certified shellfish lands in Three Mile Harbor, Hog Creek, Napeague Harbor and Lake Montauk.

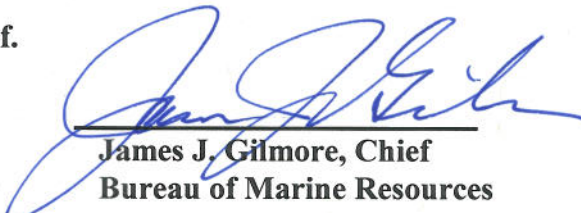

Town of Shelter Island: All the normally certified shellfish lands in Shelter Island Sound lying northerly and easterly of Crab Creek Point.

Town of Southampton: All of the normally certified shellfish lands in Shinnecock Bay, Sag Harbor, Cold Spring Pond and North Sea Harbor, including all of the normally certified creeks, harbors, bays, ponds and tributaries along the north shore of the Town of Southampton.

Note: In the Town of Southold, the normally certified shellfish lands in Orient Harbor lying northerly of a line extending easterly from the landward end of the jetty on the east side of Spring Pond to the western end of the long dock at the Orient Yacht Club remain closed to the harvest of shellfish, including bay scallops; and, in the Town of East Hampton, all the normally certified shellfish lands in Accabonac Harbor remain closed to for the harvest of shellfish, including bay scallops.

I hereby certify that this is the original thereof.

Dated: November 15, 2012
East Setauket, New York

James J. Gilmore, Chief
Bureau of Marine Resources
