

Washington State is conducting a recall due to multiple reports of oyster-associated Norovirus-like illnesses. All shellfish harvested from 3/16/17 to 4/4/17 from the implicated portion of the Hammersley Inlet growing area is being recalled. The recall area includes the southern shoreline of Hammersley Inlet from SE Lagoon Lane east 800 yards to just west of SE McComb Way (see attached map). At this time the only two companies identified in this recall are Oyster Dave's Seafood Company (WA-1264-SS) and Goodro Shellfish (WA-1043-SS). We will notify receiving states as we obtain information regarding distribution outside Washington State. It is Washington State's understanding that Oyster Dave's and Goodro Shellfish are in the process of contacting their customers. We will provide additional information and details of distribution as it becomes available.
