**MEMORANDUM**

TO: Vibrio Education Subcommittee Members

FROM: Ken B. Moore, Executive Director *Ken B. Moore*

DATE: March 27, 2007

RE: 2007 Committee Charges

This correspondence is to advise you that the role of the Vv Education Subcommittee has been expanded by the ISSC Executive Board to include all vibrios. The Committee will now be the Vibrio Education Subcommittee.

The Committee is requested to continue its efforts to improve and enhance Vv education. In addition the Committee is requested to consider effective ways to communicate information to harvesters and dealers regarding risks associated with post harvest growth of *vibrio parahaemolyticus*.

The ISSC agreed to conduct Vp Education Workshops in all regions of the US prior to the 2007 Biennial meeting. I will update the Vibrio Subcommittee of these efforts at your scheduled meeting in Albuquerque in March.
