RE: 2007 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the NSSP Evaluation Criteria Committee. Mike Hickey will serve as Committee Chairman.

Thank you for your efforts in addressing proposal 05-310. The next assignment for this Committee will be the development of in-field criteria for the Plant Sanitation element. The Committee members have changed to provide the expertise needed to address the additional tasks. I recognize the Committee has begun work on this task. The purpose of this correspondence is to acknowledge the addition of this task to the Committee charge.

If you are unable to participate in the activities of this Committee, please contact me at 803-788-7559 or issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you.
