

MEMORANDUM

TO: Federal Waters Committee Members

FROM: Keith Skiles, Executive Director

DATE: May 18, 2021; revised November 17, 2021

RE: 2021 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chair to the Federal Waters Aquaculture Committee. Joel Hansel will serve as Committee Chairperson.

The Federal Waters Aquaculture Committee is assigned the following tasks for 2021:

- Proposal 17-116: Sanitary Control of Molluscan Shellfish Harvested from Federal Waters; referred with further instruction to identify the specific sanitary survey criteria requirements to be used by FDA.

Proposal 17-116 has a sunset date of November 1, 2021. The committee is requested to develop recommendations regarding the appropriateness of maintaining the language adopted in Proposal 17-116 (attached).

- Develop guidance for the incorporation of shellfish from Federal waters into the NSSP. In developing this guidance, the committee should consider the requirements adopted in 2019 associated with the following proposals:

19-120	19-214	19-229
19-202	19-223	
19-203	19-228	
- Continue to address action items included in the Federal Waters Committee Report

If you are unable to participate in the activities of this Committee, please contact us at 803-788-7559 or issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you. Your Committee Chairperson will be contacting you soon.
