FROM: Ken B. Moore, Executive Director *Ken B. Moore*

DATE: March 5, 2012

RE: 2012-2013 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the Use of Press Committee. Mike Hickey will serve as Committee Chairperson.

The Use of Press Committee is assigned the following tasks for 2012-2013:

Proposal 07-305

- Continue to develop a press protocol for use in addressing press releases associated with outbreaks and product recall.
- Address the use of press in situations where significant time lapses have occurred between the last reported illness and the proposed use of press. The protocol should address the rationale for using press in situations where product is not likely to still be available for consumption.
- Complete the protocol and present the protocol to the Executive Board at the 2012 Fall Meeting.
- Investigate and review the use of press by state and federal agencies.
- Look for ways to coordinate use of press.

If you are unable to participate in the activities of this Committee, please contact us at 803-788-7559 or issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you. Your Committee Chairperson will be contacting you soon.
