

MEMORANDUM

TO: Aquaculture Facility Inspection Committee Members

FROM: Ken B. Moore, Executive Director A handwritten signature in black ink that reads "Ken B. Moore".

DATE: February 18, 2016

RE: 2016-2017 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the Aquaculture Facility Inspection Committee. Joel Hansel will serve as Committee Chairperson.

The Aquaculture Facility Inspection Committee is assigned the following tasks for 2016-2017:

- Proposal 13-107 Sources of Seed for Aquaculture
The committee is charged to develop a proposal(s) to revise the Model Ordinance Aquaculture chapter to reflect current practices and methods.

If you are unable to participate in the activities of this Committee, please contact us at 803-788-7559 or issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you. Your Committee Chairperson will be contacting you soon.

MEMORANDUM

TO: Audit Committee Members

FROM: Ken B. Moore, Executive Director A handwritten signature in black ink, appearing to read "Ken B. Moore".

DATE: February 29, 2016

RE: 2016-2017 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the Audit Committee. Patti Fowler will serve as Committee Chairperson.

The Audit Committee is assigned the following tasks for 2016-2017:

- Continue its oversight of ISSC audit activities.
- In consultation with the independent auditor and management, review the results of the annual audit and related comments; and report to the Board of Directors on audit activities.
- Consult with the independent auditor and management with regard to the adequacy of internal controls.
- Provide an open avenue of communications among the independent auditor, office management and the Executive Board.

If you are unable to participate in the activities of this committee, please contact us by phone at 803-788-7559 or by email at issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you. Your Committee Chairperson will be contacting you soon.

MEMORANDUM

TO: Growing Area Classification Committee Members

FROM: Ken B. Moore, Executive Director A handwritten signature in black ink, appearing to read "Ken B. Moore", is written over the printed name.

DATE: December 10, 2015

RE: 2016-2017 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chair to the Growing Area Classification Committee. Shannon Jenkins will serve as Committee Chairperson.

The Growing Area Classification Committee is assigned the following tasks for 2016-2017:

- Proposal 11-103 Alternative Male-specific Coliphage Meat Standard for Restricted Classification of Growing Areas Impacted by wastewater treatment plant outfall.
- Proposal 15-102 Guidance Document. The Committee is tasked to develop a guidance document for the implementation of the language adopted in Proposal 15-102. A subcommittee will be appointed to draft the guidance document for Committee review and approval. The Committee is directed to complete this task to allow for Executive Board review and approval at the Executive Board Spring Meeting in 2016.

If you are unable to participate in the activities of this Committee, please contact me at 803-788-7559 or at issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you.

MEMORANDUM

TO: Production Reporting Committee Members

FROM: Ken B. Moore, Executive Director 

DATE: February 26, 2016

RE: 2016-2017 Committee Charge

This memorandum is to confirm your appointment by the Conference Executive Board Chair to the Production Reporting Committee. Kirk Wiles will serve as Committee Chairperson.

The Production Reporting Committee is assigned the following task for 2016-2017:

- Investigate production reporting standardization and methodology.

If you are unable to participate in the activities of this committee, please contact us by phone at 803-788-7559 or by email at issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you. Your Committee Chairperson will be contacting you soon.

MEMORANDUM

TO: Proposal Review Committee Members

FROM: Ken B. Moore, Executive Director 

DATE: February 18, 2016

RE: 2016-2017 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chair to the Proposal Review Committee. Lori Howell will serve as Committee Chairperson.

The Proposal Review Committee is assigned the following tasks:

- The Committee is tasked to link submitted proposals to facilitate discussion by Task Forces (Article IV Section 13)

The Executive Board has directed the Proposal Review Committee to recommend "No Action" on proposals that have been deliberated previously and do not contain new supporting information. All "No Action" recommendations must include a rationale. The Committee is requested to use careful consideration in reviewing proposals submitted by an ISSC committee. This Committee traditionally meets on Saturday afternoon prior to the opening General Assembly of the Biennial Meeting.

If you are unable to participate in the activities of this Committee, please contact us at issc@issc.org or 803-788-7559. Thank you for your interest and support of the ISSC and we look forward to working with you.

MEMORANDUM

TO: Vibrio Management Committee Members

FROM: Ken B. Moore, Executive Director

DATE: February 18, 2016

RE: 2016-2017 Committee Charges

This letter is to confirm your appointment by the Conference Chair to the 2016-2017 Vibrio Management Committee (VMC). The Committee will assess if additional changes are needed in the NSSP Guide for the Control of Molluscan Shellfish Model Ordinance to reduce the risk of Vibrio illnesses.

The VMC is assigned the following tasks for 2016-2017:

- Annually review trends in Vibrio illnesses.
- Collaborate with the Education Committee on Vibrio education issues and recommendations.
- Proposal 13-200 Reducing the Risk of Vibrio Illnesses
 1. Continue to monitor the activities and report annually to the VMC regarding the development of a process for using local data including regional or state illnesses and landings information, to more accurately reflect risk in a region or state.
 2. Continue to monitor the activities and report annually to the VMC regarding how best to estimate consumption patterns, including collection data regarding the number of shellfish consumed per serving, through market research, end-point consumer data, or other information gathering methods.
 3. Form a subcommittee to evaluate the effectiveness of existing NSSP regulations to reduce risk of Vibrio illnesses caused by improper handling, storing, or transportation of shellstock; to identify areas within the NSSP needing improvement; and make recommendations to the ISSC. The subcommittee will consist of FDA, state and industry representatives. Evaluate existing NSSP regulations to reduce risk of Vibrio illnesses caused by improper handling, storing, or transportation of shellstock and the effectiveness of existing enforcement mechanisms.
- Proposal 13-204 Vibrio Control Plan
- Proposal 15-226 *Vibrio parahaemolyticus*(Vp) Illness Response Guidance Document

Thank you for your interest and support of the ISSC and I look forward to working with you. You will be contacted soon by your Committee Chair. If you are unable to accept this appointment, please contact me at 803-788-7559 or by e-mail at issc@issc.org.
