I. TIME TEMPERATURE DOCUMENTS

The following email was electronically distributed to Board members on September 13, 2012 for concurrence.

Please review the attached Decision Trees and Guidance Document. The Decision Trees have not received Executive Board interim approval. If the Executive Board is comfortable with the document it can be approved by email. Should anyone think and Executive Board conference call is necessary to discuss the Decision Trees please advise.

The Board members were asked to respond with concurrence no later than Wednesday, September 19, 2012.
