

MEMORANDUM

TO: Aquaculture Facility Inspection Committee Members

FROM: Ken B. Moore, Executive Director A handwritten signature in black ink that reads "Ken B. Moore".

DATE: May 22, 2014

RE: 2014-2015 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the Aquaculture Facility Inspection Committee. Steve Murphey will serve as Committee Chairperson.

The Aquaculture Facility Inspection Committee is assigned the following tasks for 2014-2015:

- Proposal 13-107 Sources of Seed for Aquaculture
- Proposal 13-210: Aquaculture Inspections
Committee is to address the definition of aquaculture, the frequency of inspection, the items that should be inspected, and the nature of an operational plan

If you are unable to participate in the activities of this Committee, please contact us at 803-788-7559 or issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you. Your Committee Chairperson will be contacting you soon.

MEMORANDUM

TO: Audit Committee Members

FROM: Ken B. Moore, Executive Director 

DATE: March 5, 2014

RE: 2014-2015 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the Audit Committee. Maryanne Guichard will serve as Committee Chairperson.

The Audit Committee is assigned the following tasks for 2014-2015:

- Continue its oversight of ISSC audit activities.
- In consultation with the independent auditor and management, review the results of the annual audit and related comments; and report to the Board of Directors on audit activities.
- Consult with the independent auditor and management with regard to the adequacy of internal controls.
- Provide an open avenue of communications among the independent auditor, office management and the Executive Board.

If you are unable to participate in the activities of this committee, please contact us by phone at 803-788-7559 or by email at issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you. Your Committee Chairperson will be contacting you soon.

MEMORANDUM

TO: Biotoxin Committee Members

FROM: Ken B. Moore, Executive Director 

DATE: May 21, 2014

RE: 2014-2015 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the Biotoxin Committee. Darcie Couture will serve as Committee Chairperson.

The Biotoxin Committee is assigned the following tasks for 2014-2015:

- Continue providing guidance and recommendations to the ISSC Executive Board concerning biotoxin issues.
- Proposal 13-116: Shellfish Quarantine Guidance Document
- Identify new laboratory methods and technologies that could enhance the ability of the NSSP in addressing biotoxin issues associated with shellfish consumption

If you are unable to participate in the activities of this Committee, please contact us at 803-788-7559 or issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you. Your Committee Chairperson will be contacting you soon.

MEMORANDUM

TO: Growing Area Classification Committee Members

FROM: Ken B. Moore, Executive Director A handwritten signature in black ink that reads "Ken B. Moore".

DATE: May 21, 2014

RE: 2014-2015 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the Growing Area Classification Committee. Patti Fowler will serve as Committee Chair.

The Growing Area Classification Committee is assigned the following task for 2014-2015:

- Proposal 11-101: Re-Opening Conditional Areas Using Male-Specific Coliphage after WTP Malfunction
- Proposal 11-102: Using Male-specific Coliphage as a Tool to Refine Determinations of the Size of the Areas to be Classified as Prohibited Adjacent to Each Outfall
- Proposal 11-103: Alternative Male-specific Coliphage Meat Standard for Restricted Classification of Growing Areas Impacted by wastewater treatment plant outfall.
- Proposal 11-115: Addition to the Requirements for the Authority during a suspected shellfish related outbreak
- Proposal 13-118: Dilution Guidance for Prohibited Zones Associated with Wastewater Discharges

If you are unable to participate in the activities of this Committee, please contact me at 803-788-7559 or at issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you.

MEMORANDUM

TO: Proposal Review Committee Members

FROM: Ken B. Moore, Executive Director 

DATE: May 21, 2014

RE: 2014-2015 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the Proposal Review Committee. Lori Howell will serve as Committee Chairperson. This Committee is charged with ranking proposals for consideration by Task Forces.

Additionally the Proposal Review Committee is assigned the following task:

- Proposal 11-305: ISSC Constitution, Bylaws, and Procedures Article XII. Procedure for the Submission of Proposals(Financial Impact)

The Executive Board has directed the Proposal Review Committee to recommend "No Action" on proposals that have been deliberated previously and do not contain new supporting information. All "No Action" recommendations must include a rationale. The Committee is requested to use careful consideration in ranking proposals submitted by an ISSC committee. This Committee traditionally meets on Saturday afternoon prior to the opening General Assembly of the Biennial Meeting.

If you are unable to participate in the activities of this Committee, please contact us at issc@issc.org or 803-788-7559. Thank you for your interest and support of the ISSC and we look forward to working with you.

MEMORANDUM

TO: Recall Guidance Committee Members

FROM: Ken B. Moore, Executive Director *Ken B. Moore*

DATE: May 5, 2014

RE: 2014-2015 Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the Recall Guidance Committee. Keith Skiles will serve as Committee Chair.

The Recall Guidance Committee is assigned the following tasks for 2014-2015:

- Develop guidance for use by states and the industry in conducting voluntary recalls.
- The guidance should address but is not limited to factors which should be considered in determining the extent of the risk from harvest area, the amount of Shellstock and the time period of harvest to include in the recall.

If you are unable to participate in the activities of this Committee, please contact me at 803-788-7559 or at issc@issc.org. Thank you for your interest and support of the ISSC and we look forward to working with you.

MEMORANDUM

TO: Vibrio Management Committee Members

FROM: Ken B. Moore, Executive Director 

DATE: May 21, 2014

RE: 2014-2015 Committee Charges

This letter is to confirm your appointment by the Conference Chairman to the 2014-2015 Vibrio Management Committee (VMC). The Committee will assess if additional changes are needed in the NSSP Guide for the Control of Molluscan Shellfish Model Ordinance to reduce the risk of Vibrio illness.

The VMC is assigned the following tasks for 2014-2015:

- Annually review trends in Vibrio illnesses
- Proposal 11-206: *Vibrio parahaemolyticus* illness information
- Collaborate with the Education Committee on Vibrio education issues and recommendations.
- Develop criteria for verifying reduction in harvest for raw consumption and the percentage of post harvest processed product on a monthly basis for those States required to have a *Vibrio vulnificus* Control Plan
- Proposal 13-200: Reducing the Risk of Vibrio Illnesses
 1. Request that FDA reexamine its risk assessments and risk calculators (V.p.) and (V.v.) and present the results to ISSC, including the factors and methodology used to calculate risk per serving.
 2. Develop a process for using local data including regional or state illness and landings information, to more accurately reflect risk in a region or state.
 3. Determine how best to estimate consumption patterns, including collection data regarding the number of shellfish consumed per serving, through market research, end-point consumer data, or other information gathering methods.
 4. Evaluate existing NSSP regulations to reduce risk of Vibrio illness caused by improper handling, storing, or transportation of shellstock and the effectiveness of existing enforcement mechanisms.
 5. Provide recommendations to ISSC based on the results of the above study and evaluation.
- Proposal 13-223: *Vibrio Parahaemolyticus* Control Plan Risk Per Serving

Thank you for your interest and support of the ISSC and I look forward to working with you. You will be contacted soon by your Committee Chairman. If you are unable to accept this appointment, please contact me at 803-788-7559 or by e-mail at issc@issc.org.
