## MEMORANDUM

TO: Dealer/Harvester Education Workgroup Members

FROM: Ken B. Moore, Executive Director *Ken B. Moore*

DATE: May 21, 2009

RE: Dealer/Harvester Education Workgroup Appointment

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the Dealer/Harvester Education Workgroup. Robin Downey will serve as Workgroup Chairperson. The workgroup will report to the *Vibrio* Management Committee.

The Dealer/Harvester Education Workgroup is assigned the following task for 2009:

- Develop a proposal for the 2009 Biennial Meeting that will require dealers and harvesters to achieve three (3) hours of education annually in order to be licensed or permitted. The proposal should be drafted to address the types of topics that may be covered in these educational courses; that states should develop courses, but also recognize other courses offered both by other states as well as in the marketplace, such as Serv-Safe training, participation in academic meetings, on-line courses, and other training avenues.

If you are unable to participate in the activities of this Workgroup, please contact me at 803-788-7559 or at [issc@issc.org](mailto:issc@issc.org). Thank you for your interest and support of the ISSC and we look forward to working with you.
