

Notice of Recall

The Interstate Shellfish Sanitation Conference (ISSC) was recently advised of a recall of Venus Clams from a dealer in Mexico. The harvest area has been identified as Bahia Salinas with harvest and shipment date of December 17, 2013. The Lot Number is AC065.

It has been determined that the product was shipped to the following States:

Arizona
California
Nevada
Oregon
Washington

We are in the process of providing dealer information to those States. We request you take appropriate action if this product has been shipped to your State by a secondary US dealer. Please see attached information related to the recall issued by the Mexican dealer. We will provide additional information as it becomes available.

Thank you,
Ken Moore
